

The continuing care campus of Galeon has found a home in the hearts of Minnesota's older adults and their families. Set in a scenic community close to the shores of Lake Osakis, Galeon offers wellness, care & recovery services that include short-term rehabilitation, therapy, memory care, skilled nursing, independent housing and assisted living. Club Galeon Wellness Center has become a preferred destination for older adults wanting to maintain their health and wellness while preventing the devastating effects of chronic disease. Friendly neighbors and supportive staff create a welcoming atmosphere where each person is made to feel comfortable and secure.

Various levels of care allow seamless transitions within our community should needs change.

ASSISTED LIVING APARTMENTS

West View is an enhanced assisted living setting tailored for alert tenants who need additional support with their medications, mobility, and daily living. Amenities and services include...

- Lounges with fireplace and TV

BridgeWell assisted living is a secure environment for people with varying degrees of memory loss that is designed to feel like home. We provide assistance while promoting independence and optimal functioning.

- Our homes have been carefully designed using colors, sights and sounds to provide a calm, relaxing, home-like environment with areas where residents can feel free to explore and not feel confined.
- 24-hour staff are specially trained in caring for those with memory loss or dementia.
- Scheduled and impromptu activities are ongoing and resident specific.
- Residents are encouraged to participate in life activities through the performance of daily household tasks such as laundry, cooking, light cleaning, etc.
- Staff are happy to accompany residents to nearby Club Galeon for a swim in our warm water pool or for strength, balance, and cardio exercise.
